Product Line / Service Description

- Bullet Resistant Aluminum Doors
- Bullet Resistant Aluminum Windows
- Bullet Resistant Aluminum Transaction Windows
- Bullet Resistant Fiberglass Panels
- Bullet Resistant Glazing
- Bullet Resistant Accessories

Action Bullet Resistant manufactures Bullet Resistant Aluminum Doors and Window Frames. Our systems are tested to U.L. 752 standards, Levels 1,3,4,5 and 8, as well as Dade County hurricane and cycle testing. We custom fabricate our systems on premises. Our systems are designed to be installed in new or retrofit applications. Commonly used in gas stations, convenience stores, banks, guard booths, courthouses, police stations, transit authority and others, we also offer a full line of bullet resistant glazings, laminate all glass, glass clad polycarbonate, laminated polycarbonates, and glass clad polycarbonate air gap systems. We also offer fiberglass armor panels and a full line of accessories.

Products applicable for the following protective glazing applications:

- Safety
- Attack
- Bullet Resistance
- Windstorms/Hurricane Resistance
