Technical Glass Products (TGP) is a leading North American supplier of fire-rated glass and framing products. The company offers a wide range of choices, with glass and framing systems rated from 20 minutes to 2 hours. Many of TGP's fire-rated glazing products offer additional performance characteristics such as bullet resistance, impact safety, energy efficiency, acoustic control and more.

Products applicable for the following protective glazing applications:

- Safety
- Bullet Resistance
- Fire
