PGC International Virtual Trade Show

Booth Zones

Zone One

Zone One features up to five streaming videos about the company and its products or services. The videos can be provided to PGC International Headquarters as an electronic file (including Flash), VHS, DV or Super 8 tape, or DVD. Total length of all videos may not exceed 20 minutes.

Zone Two

Zone Two features downloadable resources (pdf or zip format), such as white papers, links to online-based AIA accredited presentations, studies, etc.

Zone Three

Zone Three features a gallery of projects (maximum of 15 photos.) Photos must be provided in electronic format to PGC International.

Zone Four

Zone Four features contact information for the exhibitor, including phone, email, website URL and names of key contacts.

Zone Five

Zone Five features downloadable product information (catalogs such as Sweets or others, product sheets, brochures.) A maximum of five items are allowed in this zone.

Zone Six

Zone Six is a Lead Generation form in which viewers submit a request for more information or contact to the exhibitor.

Tracking

Your online booth will be tracked using Google Analytics. All information, including number of page views, demographics of visitors, etc., will be submitted to the exhibitor once the online tradeshow concludes at the end of November.

Perpetual Use

If videos, downloadable resources and project photos are deemed generic in nature, the exhibitor may continue to host these items on their PGC International Company Profile past the end of the tradeshow. To request perpetual use, please contact PGC International Headquarters before the end of the tradeshow.
